THE PARISH ORGANIZATIONS OF ST. MARK'S

Organizations of the Church give us a chance to meet others in fellowship and to render service as Christians. As such the organizations are essential to the life of the Church. The effectiveness of the Church's witness depends upon the support the organizations give the Church. St. Mark's offers a variety of opportunities for fellowship and witness. All members of the parish and all newcomers are urged to join and take part in as many of the organizations as they have time and talent . . . "Let your light so shine before men that they may see your good works and glorify your Father who is in Heaven."

ST. MARK'S CHOIRS:

The Christian worships God with his whole being—with all his heart, mind and soul. Our Choirs help us in our worship, setting the words of the Liturgy and Scripture to song. We are anxious to increase our Choir membership and welcome new members in all three choirs. They meet as the Boys and Girls Choir on Wednesdays at 4:00 P.M. Any boy or girl between the ages of eight and seventeen is welcome to participate. The Adult Choir rehearses on Thursday Evenings at 8:00 P.M. and always welcomes new voices. Miss Beverly Davis is the Choir Director.

THE CHURCH SCHOOL

At St. Mark's the family's basic and first participation in the life of the Church is in the Worship of God. Therefore the Church School meets every Sunday at 9:30 for worship together as families. After the service each member of the family goes to classes in the parish house. St. Mark's is proud of its wide range of Church School Classes providing instruction and discussion about the Christian Faith from Nursery through High School as well as exceptionally well attended classes for Adults. Christians never outgrow "Sunday School" at St. Mark's.

THE ALTAR GUILD

We are indebted to the Guild who faithfully attend to the Altars of the Church. The work day is Saturday morning. There are two meetings

of the Guild—one in October and one in June. The Guild sponsor a Lenten Quiet Time for the Women of the Church on Monday in Passion Week. We need more active workers who will give at least four Sundays a year attending to the Altars.

THE SERVERS GUILD

The guild is made up of young confirmed male members who assist the Clergy at all Church Services. The group is under the direction of the Assistant, and Mr. Harry Shuttleworth. All young men of the Church are invited to belong. Training sessions are held on Thursday evenings at the call of the directors.

THE AUXILIARY VESTRY

Each year fifteen men are chosen by the Rector and Vestry to serve for one year. The group meets monthly at member's homes. The purpose of the group is to assist the Vestry and to do the work delegated to them. They have the responsibility of preparing the Year Book each year. The group has as their special project, the responsibility of promoting the Church and her program.

THE WOMEN OF ST. MARK'S

Every Confirmed woman is automatically a member of this group. The program of the Organization is concerned with the missionary work of the Church at home and abroad. There are two meetings a month—the second and fourth Thursdays.

THE CHURCHMEN'S LEAGUE

This organization is maintained to encourage fellowship among the men of the Church. The meetings are announced. The usual meeting day is the third Monday of the Month. The men sponsor an Annual Oyster Supper in March; an Annual Men's Supper in January and an Outing in June. They also are in charge of decorating the Church at Christmas.

THE YOUNG PEOPLES FELLOWSHIP

The Fellowship is a program for boys and girls thirteen years of age and older. The group meets every Sunday evening at 7:30 P.M. The

program is four-fold—Worship, Fellowship, Study and Service. Once a month the group attends a meeting of the Convocation with other Fellowship groups in the Northeast. Again in 1964 our group won the Convocation Trophy for scoring more points than any other group in the four-fold categories mentioned above.

THE MR. AND MRS. CLUB

This organization is strictly a fellowship group for husbands and wives. It meets once a month on the third Saturday. All members of the Church are invited to attend and bring their friends.

THE BUSINESS AND PROFESSIONAL WOMEN

An opportunity is provided for women who are employed during the day to meet once a month in Fellowship and Service. The meetings are held in the Parish House on the second Tuesday of the Month.

THE PARISH COUNCIL

This group is made up of the presiding officers of all the Church Organizations. There are at least four stated meetings a year, at which time Organizations report the activities planned and the Calendar is approved. The Annual Church Bazaar is the result of the combined efforts of all Church Organizations. The Council seeks to help organizations in planning and promoting events when the occasion arises to work together on a common project.

THE BELL RINGERS

The Bell Ringers consist of a group of laymen who assume the responsibility for playing the Bells prior to Church Services and on special occasions. The Ringers maintain the bells and assist with the Bazaar.

THE CHOIR MOTHERS

These women are a part of the Altar Guild and make a real contribution to the music of the Church. The men and boys and the women and girls have to be cared for. More help is needed in this department.

TWENTY YEARS

ALBERT F. FISCHER, JR., Rector

Twenty years ago, in June 1945, our Rector came to St. Mark's from St. Matthias, West Oak Lane, with Elizabeth, his wife; Barbara Ann, 4 and Theodore, 2 years old. The Rector was so young that many people in Frankford thought he was the Assistant, but in spite of youth and inexperience the people at St. Mark's accepted him and his leadership.

Twenty years ago a second world war was ended and the young men and women of the Parish returned from the Service. The Parish was alive with activity. A program was instituted to revamp all the Church property. Wooden penny-barrels were circulated around the Parish and collected once a month. The money gave impetus to what was to become a major overhaul of all the physical plant at St. Mark's. A new Rectory was purchased in 1949. A new Pipe Organ was pur-

chased in 1957. A Well's Fund-raising Campaign in 1957 aided in securing sufficient monies to make major repairs to the Church properties and to also aid the Diocese in her Capital Fund Drive with a gift of \$15,000.00. In order to keep the interest of members who had moved out of the community, ground was purchased for Parking facilities. When our Rector came to St. Mark's we bought a new heater for the Church. Twenty years have passed and the heater has just been replaced. This is the last of the major improvements but not the end of an improvement program. The Rector has plans for the next five years.

During the 20 years from 1945 to 1965, a Church in a changing community struggled to keep her membership intact so that she might witness to the Glory of God in serving His people. St. Mark's was continually involved in aiding Missions. All Saint's, Rhawnhurst; was kept alive. St. Stephen's, Bridesburg; was shepherded and encouraged. St. Nathanel's was given oversight and leadership in her crucial days.

Our own community with its many institutions has received the interest and support of St. Mark's. The Frankford Hospital, The Frankford Boys' Club, the Frankford Day Nursury and the Historical Society have enjoyed the support of St. Mark's and her many members. St. Mark's, through the Rector has supported the United Fund Drive in the community. Although the Parish has been unable to deal directly with the many needs of the community because of religious and national differences she has her concern by keeping alive and effective, the local institutions.

The Rector has always been eager to keep the Parish alive to the changing needs and with the able assistance of Clergy and laity has succeeded in maintaining a Parish Program sensitive to the needs of all peoples at home, in the community and throughout the world. St. Mark's has been a missionary minded congregation, giving faithfully.

Our Rector has generously given of his time outside the Parish. He has been active in the Department of Missions of the Diocese, serving now as Dean of the Convocation of Germantown. He served for a while

in the Department of Christian Education; was Secretary of the Clericus for over ten years; was Secretary of the Convocation and President of the Philadelphia Interdenomination Minister's Union; he served on the Board at Episcopal Hospital and is at present a member of the Board at Frankford Hospital. Mrs. Fischer, eager to assist the community has served on the Board of Family Service and the children's division of Community Services. Both Mr. and Mrs. Fischer have given support to the many organizations of St. Mark's Church.

There is much that has happened in a ministry of twenty years that must be left out of this brief summary of activities. The Baptisms, Weddings, Confirmations and Funerals are too numerous to mention. The many Church activities, anniversary parties, the coming and going of people are all memorable events. A record of any man's ministry is a Record of human relationships, of a pastor and his flock, a preacher and his congregation, of a minister and his Church family. Time is the only barometer of the success of such relationships. The people who have been served and the Master who has been worshipped and the minister who has been given the opportunity to fulfill his vocation, are silent witnesses to the real dynamics of Christian relationships.

To our Rector, we say, "Thank You" for twenty years ministry among us and we pray that what we have done together will be pleasing to Him who calls us all into His Service.

Your Confidence Built Our Success

The New Bishop of Pennsylvania

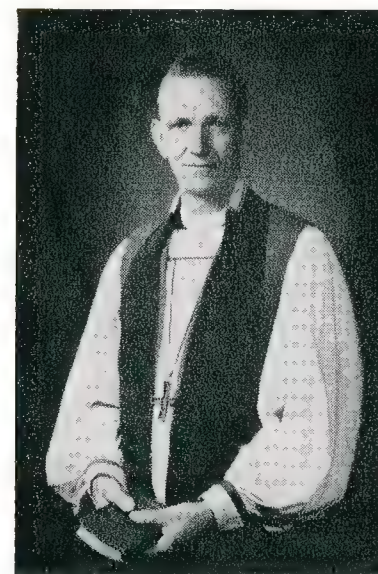

Robert L. DeWitt came to Pennsylvania from the Diocese of Michigan where he had been Suffragan Bishop since 1960. He was elected Bishop Coadjutor April 23, 1964 and automatically succeeded the Rt. Rev. J. Gillespie Armstrong after his very unexpected death April 23, 1964. He is now the youngest Diocesan Bishop in the United States.

Bishop DeWitt was born March 12, 1916 in Jamaica Plain, Mass. He attended high school in Auburn, New York and graduated from Amherst College in 1937 and received a B. D. degree from the Episcopal Theological Seminary in Cambridge, Mass. in 1940. He also has received honorary Doctor of Divinity Degrees from Amherst College and the Virginia Theological Seminary. He began his ministry as a curate at Christ Church, Cranbrook, in Bloomfield Hills, Michigan. He was ordained a Priest there in 1941. From 1944 until 1948 he was rector of St. Luke's Church, Ypsilanti, Michigan. He then returned to Christ Church Cranbrook, where he served as Rector until his consecration as Bishop in 1960.

The Diocese of Michigan elected him suffragan (assistant) bishop to supervise its urban work in Detroit. There he initiated an inter-parochial program, believing that no parish or mission can independently minister even to its own neighborhood, let alone a city, and that the suburban church should share in the work of the city parish.

The Rt. Rev. Robert L. DeWitt was formally installed the 12th Bishop of Pennsylvania in a service at the Church of the Advocate, Philadelphia, November 30, 1964. The Diocese of Pennsylvania is one of the oldest Diocese of the Anglican Communion outside the British Isles. It consists of 120,000 Episcopalians and 197 parishes and missions in a five county area (Philadelphia, Bucks, Chester, Delaware and Montgomery counties), as well as schools, hospitals and other institutions.

WHAT IS MRI?

These three letters will be used often in the years to come. It all began a year ago in Toronto when the Anglican Church was meeting to consider the needs of our Church throughout the world. The Bishops found that the greatest need today is for mutual responsibility and interdependence in the Body of Christ, the Church. It was felt that before the needs of the many missions were discussed and given priority the Church had the need to reexamine her role in the world and to question the habits of thought and action, the everyday structures and operating procedures. It may be that these will be found unsuited to the purposes of God and the needs of mankind today.

"The Church exists to witness, to obey, and to serve." All our planning must be tested by this. This may mean radical change in our priorities; leading us to be much more generous with others. It means the death of old isolations and inherited attitudes.

Many devoted lay people today are giving less to the parish than they could easily give, because they do not see in the structure and leadership of the parish any great sense of driving purpose to which they might respond. Too often our Church life is a charmed circle of irrelevance, bathed in a dim religious light.

The need to grow up into mutual responsibility and interdependence is also a theological and spiritual need. We need the help of our brothers in the Body of Christ even more than they need our help. Our Lord's words, "It is more blessed to give than to receive," are a profound statement of the nature of man and the dynamics of salvation.

Theologically, we cannot tell the world the truth about what the Church is until we begin treating the Church as, what it is; the living Body of Christ, in which we are mutually interdependent members, spiritually we cannot grow in the love of God until we begin responsibly to do what He calls us to do and to love those whom He loves.

It is not difficult to find ways in which the Church may be renewed. The Church loses 50% of her newly confirmed members. The Episcopal Church is in 14th place in per capita giving among religious bodies in

the United States. Few Churches have Adult Educational programs. Most laity working in the Church have trivial tasks. There is for each one of us, a real challenge in attempting a renewal of the whole life of the Church in joyful obedience to her risen Lord.

The Church calls us to commit ourselves to a renewed interest in the Church and her outreach. That any action in the direction of renewal should begin with ourselves. We should give thought to our prayer life, the reading of the Bible and its study to our ministry within the local Church.

The Church calls us to enlarge our giving of monies to the Mission of the Church, to be more generous in our giving. What we do with our money is significant primarily as a symbol of what we are doing with our lives. Each one of us should answer the Church's call by deepening of our own spiritual faith and hope and charity; looking upon our giving simply as a God-given way of expressing our relationship to Him and to His people; here at home as well as across the world.

Renewal includes better training for laity and better utilization of them in Christ's Service, it includes a reorganization of the parish around things that are important to God and man, rather than irrelevant activities; it includes a stronger life of prayer and sacraments, a greater understanding of what it means to be a Christian, which will give us a new awareness of the great fact of our baptismal brotherhood with non-Anglican Christians.
